

Elizabeth River Starts – Sustained Distinguished Performance

Recycling

- 587,613 Pounds of Plastics, Paper, Glass, Wood, Metal, Used Oil Filters, Used Fluorescent Lamps, Used Batteries, & Electronic Waste.

- 27,934 Gallons of Used oil & Antifreeze

Green Operator Program

- **400 Trucks!** (170 Replacements & 230 Retrofits)

Spill Pads

- Bio-degradable spill pads made with chicken feathers. More absorbent and last much longer than normal spill pads.

Outreach

- **Clean the Bay Day 2013** – 206 Volunteers collected 3 (8-yard) dumpsters of trash removed from the Elizabeth River
