TERMINAL OVERVIEW

- **The port's main breakbulk and ro-ro facility** located on the north bank of the James River
- **Located just off Interstate 664 in downtown Newport News**, with easy access to Interstate 64, US Route 17 and US Route 60
- **Roll-on/roll off ramp** to deliver heavy-lift such as power plant equipment for delivery via water
- **Direct, on-dock rail service with CSX**, with the ability to transfer with Norfolk Southern in Richmond
- **Permanent roll-on/roll-off ramp for loading/unloading rail cars** with construction and agricultural equipment benefits
- **Opportunity to build additional warehouses** or specialized cargo handling facilities for potential customers
- **US Customs-designated port of entry** with full range of customer functions
